

Leather Wranglers Inc.

Home of the SK-3™ Swivel Knife

SK-3 Swivel Knife features:

- ❖ Holds an Edge – made from the smoothest cutting alloy available.
- ❖ Ultra Lightweight – barrel made of aerospace aluminum, weighs less than one ounce.
- ❖ Sealed Ball Bearings – smooth, maintenance-free rotating action.

Complete - Custom built for you - \$150 (choose from components below):

- ❖ **Yoke (saddle)** – Rounded or Flat (adjustable to 1" height)
- ❖ **Blade Size** (one of 5) – 1/8", 3/16", 1/4", 3/8", 1/2" (extra blades \$40 each)*
- ❖ **Barrel Width** – 3/8" or 1/2"
- ❖ **Barrel Color** (one of 11) – Turquoise, Gold, Red, Silver, Blue, Violet, Black, Pink, Green, and the "Al Gould Special" Black/Silver, or Red/Silver

* We can **angle** or **custom grind** our blades at no extra charge.
We stock blades that fit the Tandy standard barrel in 1/4" and 3/8".
For other blade sizes or to modify the shaft to fit other barrels, add \$20.

The SK-3 swivel knife will make your carving a more enjoyable experience and enhance the quality of your leather art. Why wait? *Put some finesse in your hand today!*
